

REGIONAL COORDINATORS:

Connecting KHM Travel Agents to Local Events and Networking Opportunities

KHM Travel Group's Regional Coordinators (RCs) are independent travel agents who help get the word out about supplier trainings and industry events in their areas. They also work to promote engagement and networking among KHM Travel Group Agents in their region.

When your company is offering on-site trainings in locations throughout the United States, the RC located within that territory can share information via email and their region's private Facebook group.

If you have an event that you would like the RCs to share with agents in their region, please contact them using the email addresses listed on this flyer.

We encourage you to provide them with your calendar of events in advance, so they can help you increase awareness and attendance!

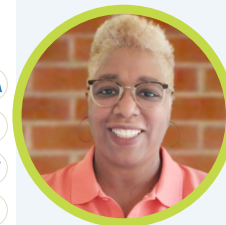

Please contact **Events Operations Manager Beth Klubnik** at bklubnik@khmtravel.com to inquire about or schedule any new events or FAM opportunities exclusively for KHM Travel Group Agents.
