04

We are a one-stop marketplace for your customers' travel needs, covering **transfers, car rentals and experiences in 128+ countries worldwide.**

05

We offer **Flexibility** in pricing, cancellation & payment deadlines

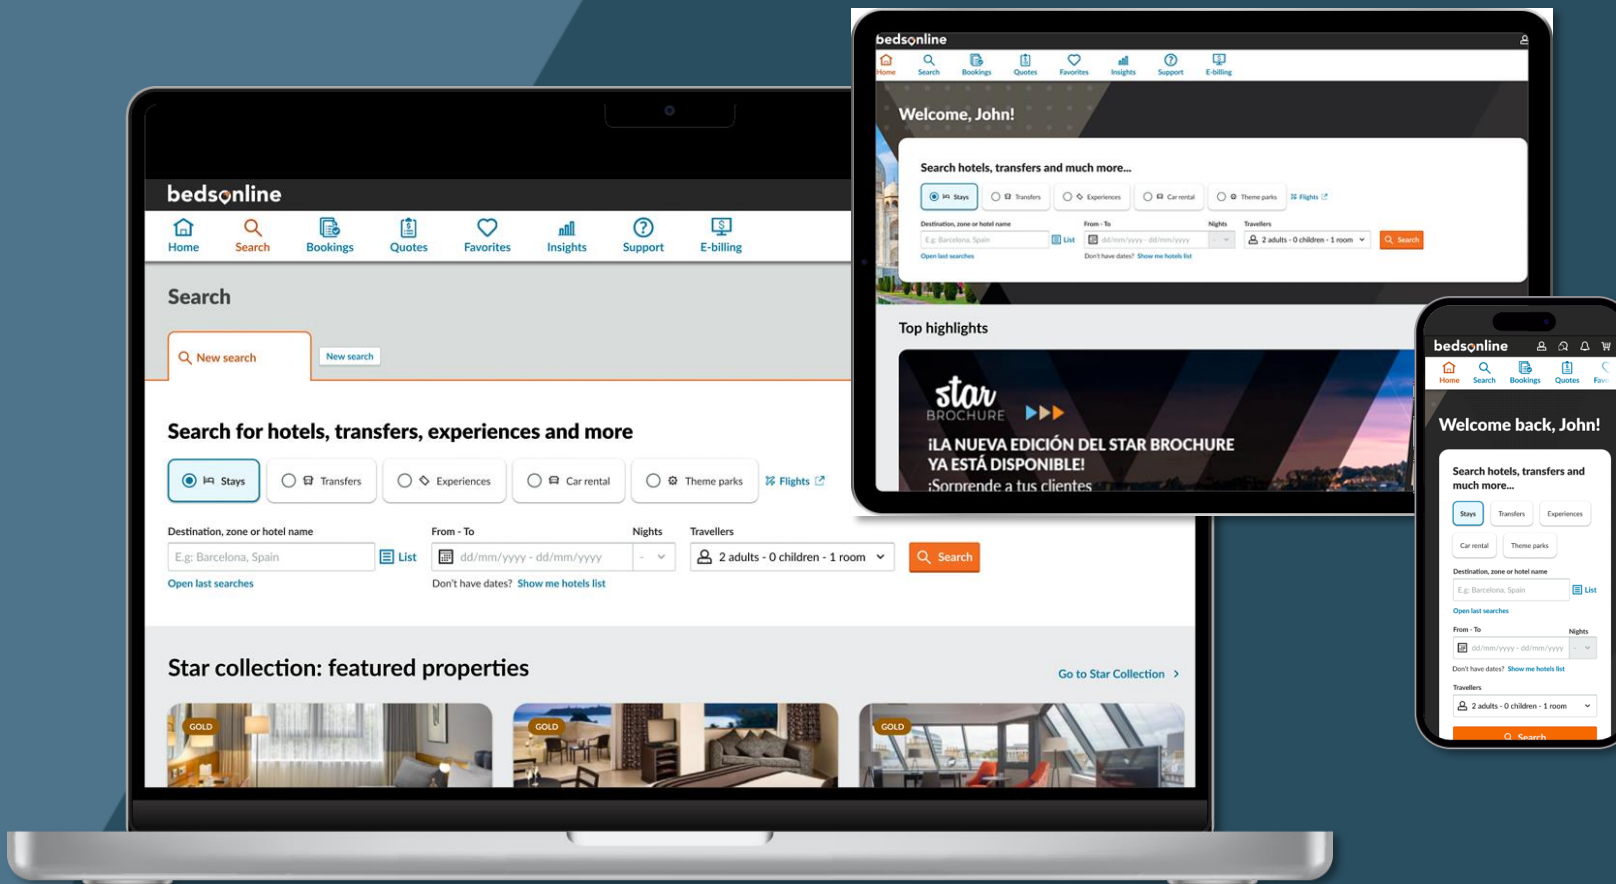

A new-and-improved Booking Engine

LET'S TAKE A LOOK AT HOW THESE CHANGES APPEAR IN THE NEW INTERFACE...

WHETHER YOU'RE ON THE MOVE OR STATIONED AT YOUR DESK, OUR POWERFUL BOOKING ENGINE HAS BEEN OPTIMISED TO WORK SEAMLESSLY ON ANY SCREEN – INCLUDING MOBILE

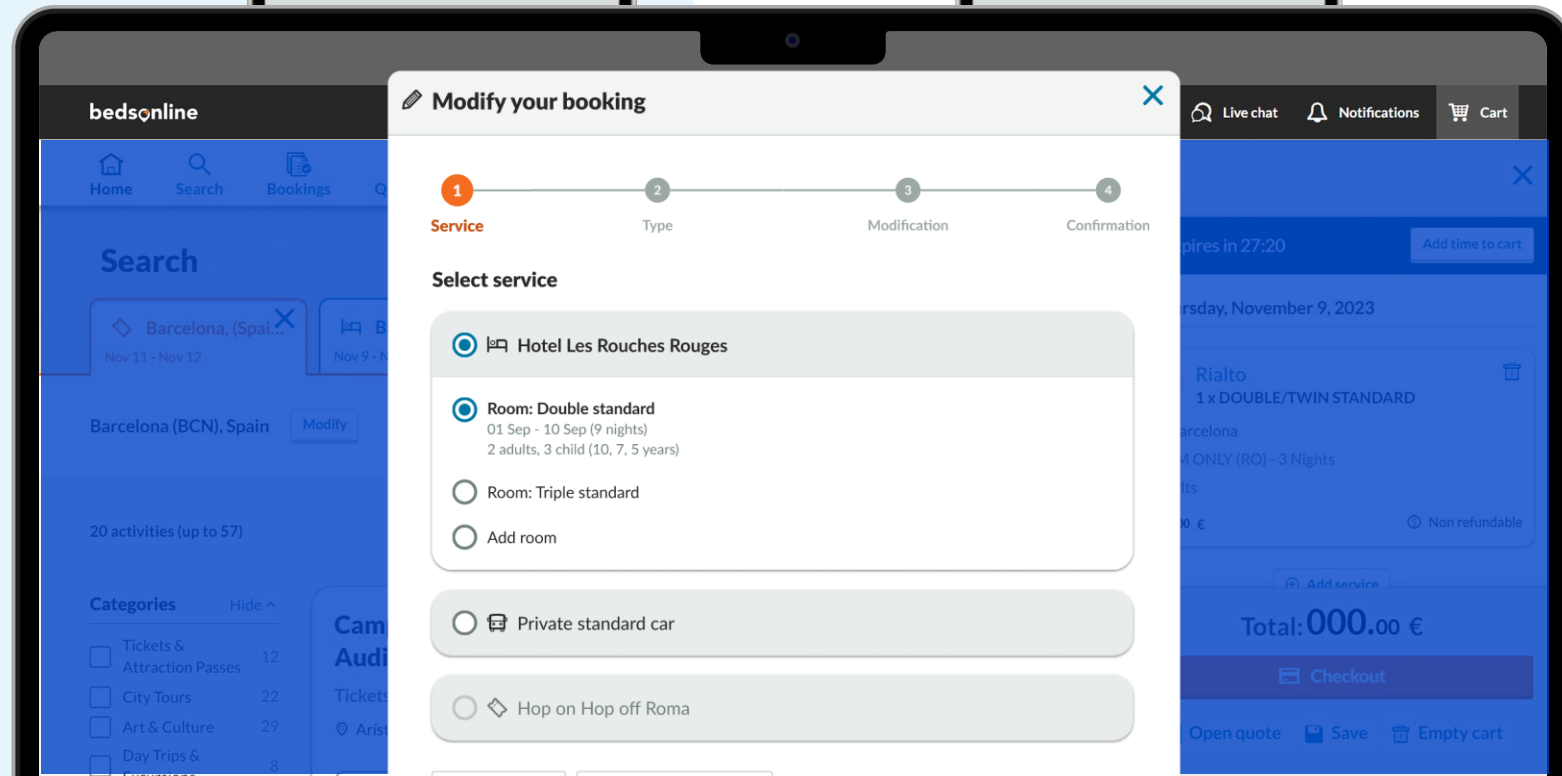

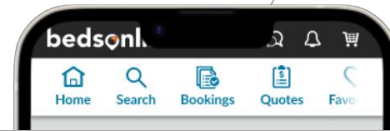

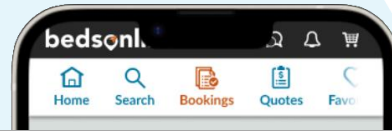

Touchscreen-friendly and with an adapted experience specific to the mobile environment, the Booking Engine can now be accessed on-the-go. Booking Engine is a breeze to use.

OUR SEARCH FUNCTION HAS ALSO BEEN IMPROVED,
ALLOWING YOU TO NAVIGATE BETWEEN DIFFERENT
SEARCH TABS FROM WITHIN THE SAME SESSION

The screenshot displays the bedsonline mobile application interface. At the top, the 'bedsonline' logo is on the left, and navigation links for 'Account', 'Live chat', 'Notifications', and 'Cart' are on the right. Below this is a horizontal menu with icons for Home, Search, Bookings, Quotes, Favorites, Insights, Support, and E-billing. The 'Search' tab is active and highlighted with an orange border. The search area contains a search bar with a magnifying glass icon, a 'New search' button, and a close 'X' icon. Below the search bar, the text 'Search for hotels, transfers, experiences and more' is displayed. There are four main category buttons: 'Stays' (selected with a blue circle), 'Transfers', 'Experiences', and 'Car rental'. Below these are two more options: 'Theme parks' and 'Flights'. At the bottom, there are three input fields: 'Country' with a dropdown menu showing 'Spain', 'Destination' with a dropdown menu showing 'Barcelona', and 'From - to(Optional)' with a date range '11/11/2023 - 12/11/2023' and a close 'X' icon. On the right side of the screen, a 'Cart' panel is open, showing an empty shopping cart icon and the text 'Your cart is empty'. Below this, it says 'When you add some service to your trip, you will see options in this space.' and includes an 'Add products' button. At the bottom of the cart panel, there is an 'Open quote' button.

FINALLY, YOU CAN MANAGE YOUR BOOKINGS WITH EASE WITHOUT THE Hassle of BUT DETAILS (SUCH AS DISPLAY AND FREQUENCY CONVENIENT AND BOOKING REFERENCE) AT ANY TIME.

Using AI – power on Insights

Analyzed data and customized opportunities

AI-powered data collection ensures that you're provided **valuable insights to drive your growth**, by showing you which destinations, hotels and experiences are trending, and are being booked by final travelers and other travel agents in your market.

Why will Insights help you grow?

Giving you new opportunities to make better choices

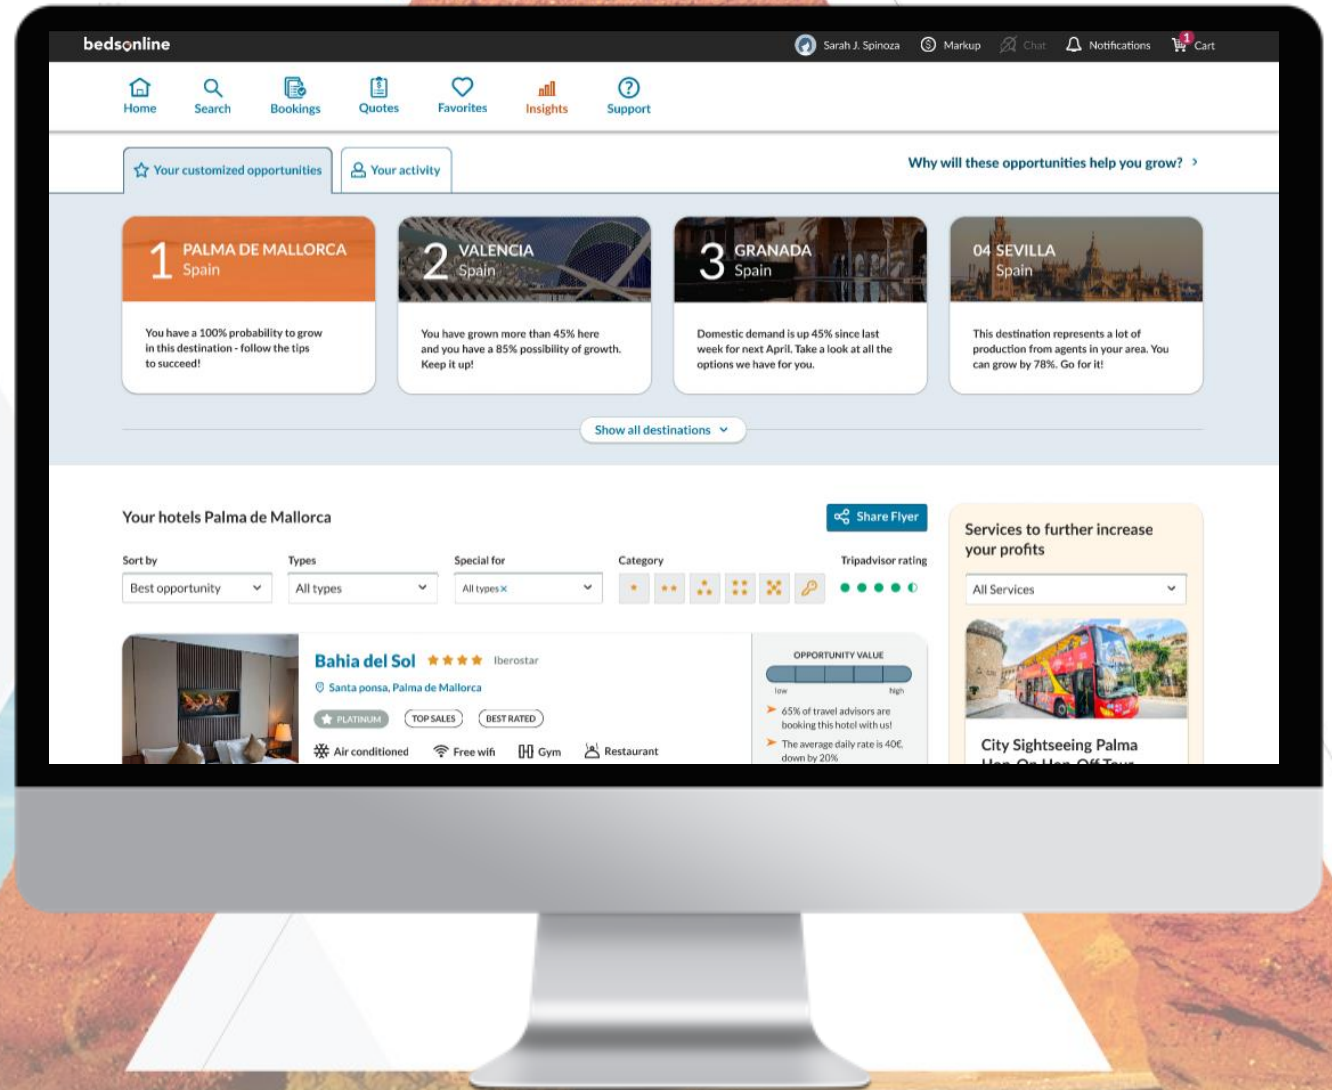

Analysing data to lead your success!

Helping you reach goals to grow

Being your personalized digital advisor

Our Star Brochure 2024 is here and ready to be explored!

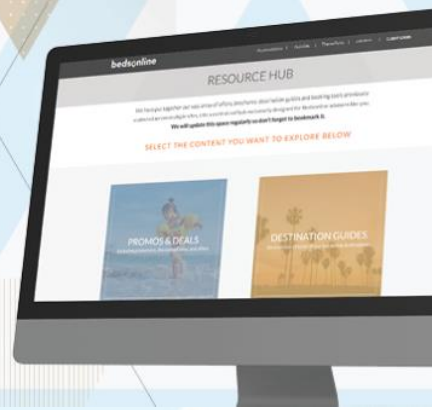

Designed to showcase our finest offerings and empower you to create tailored brochures for your clients, the Star Brochure is your only interactive travel guide.

With this tool, you can

- Showcase specific destinations
- Highlight unique experiences
- Emphasize offers that resonate with your clients
